

AN IMPORTANT MESSAGE FROM YOUR FRIENDS AT AMERICAN FREE PRESS

There's really no difference between the American media today and the Controlled Media in the old Soviet Union . . .

. . . THEN.

. . . AND NOW.

USSR:

Political Power = Media Control

USA:

Media Control = Political Power

In the old days of the Bolshevik empire, the government controlled the media. Not a word of substance could be published without prior approval from the Soviet commissars.

Today, in the United States, the situation is starkly similar. But most Americans don't even know it.

In the United States, it is a select handful of super-rich families and financial interests—a plutocratic elite—who own the Big Media.

Through their control of the media, these powerful interests control the American government and our nation's electoral system . . .

The Masters of the Media decide who is the "hero" and who is the "villain." They can make—or break—ANY politician overnight. And that's REAL power.

Yes, the Media Monopoly counts
the votes on election night . . .
They CONTROL who gets
“elected” and who doesn’t . . .

In America today, it's 'Dictatorship by the Media'

The editors of *American Free Press* were the first journalists on the face of the planet to tell Americans about the dangers of computerized voting. We called it “votescam.”

The editors of *American Free Press* were also the first to reveal that the national vote count was (and still is) controlled by a shadowy private group that is dominated by the owners of the Media Monopoly . . .

Explosive stories such as this demonstrate the need for independent voices such as *American Free Press* . . .

There's no question about it . . .

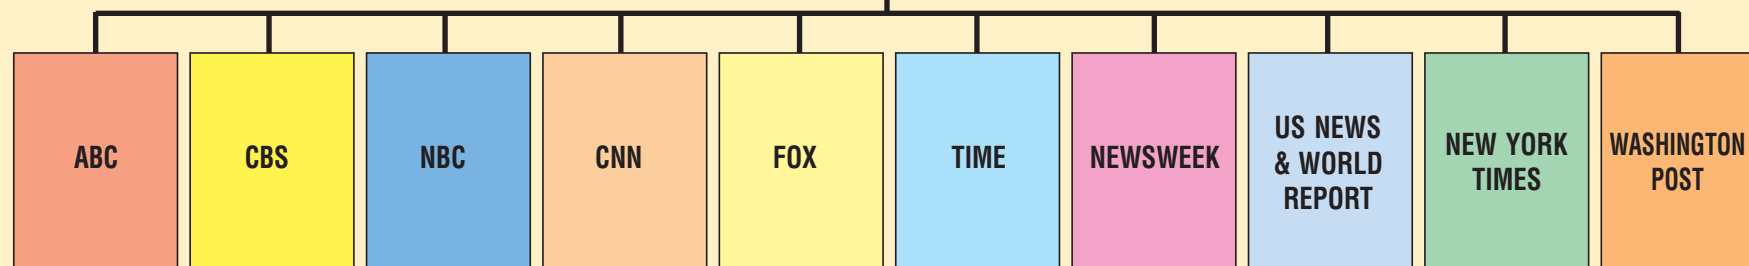

THE MEDIA IS THE ENEMY

And that's why your continuing support for the work of AFP is critical. AFP is your voice in opposition to the Controlled Media!

Once the Media says you are a “bad” guy, then you ARE a bad guy in the eyes of most Americans!

MASTERS OF THE MEDIA MONOPOLY*

**By dominating the media, the Masters of the Mainstream perpetrate the tired and worn “left vs right” — “liberal vs conservative”—“Democrat vs Republican” scam to keep Americans in the dark, confused and frightened to speak out. Rothschild, Bronfman, Newhouse, Redstone, Zuckerman, Murdoch and all the other Media Monopolists have billions of advertising dollars at their disposal to keep their presses running. In contrast, AFP can rely only on you.*

**They're All
The Same!**

The different “disguises” of the various fronts for the Media Masters are designed to fool the public into thinking they are getting something “different” from each of the controlled media outlets.

DEAR FRIEND of *American Free Press*:

Every single one of the major media outlets is controlled by a powerful interlocking combine.

ABC, CBS, NBC, CNN, *Time*, *Newsweek*, *U.S. News & World Report*, *The New York Times*, *The Washington Post*, *The Los Angeles Times*, *The Chicago Tribune*—even such “regional” giants as *The New Orleans Times-Picayune*, *The Miami Herald*, *The San Diego Herald-Tribune*. . . .

The list goes on and on.

And these media powerhouses control dozens—actually thousands—of other daily and weekly newspapers, magazines, and radio and television outlets across America (and around the globe).

PLUS: Did you know that every single supermarket tabloid is owned by just one, super-rich Wall Street banker? His name is Roger Altman. And he’s only a front man for behind-the-scenes interests!

To consolidate their influence, the Masters of the Media and their international corporate allies reward obedient journalists with membership in the Council on Foreign Relations or the Trilateral Commission where they rub shoulders with others in the international policy-making networks. A handful get promoted to the higher ranks of the Bilderberg Group.

The so-called “mainstream” media is very much a “closed shop” and only those willing to do the bidding of the global power elite need apply. Tom Brokaw, Dan Rather and Katie Couric and other puppets are just the public faces that the American people see.

TWO PEAS IN A POD . . .

Joe Lieberman is a Democrat-turned-independent and John McCain is a Republican, a so-called “maverick”—but neither is “independent” or “maverick” in any way, shape or form. They are both shells for the interests who control the mass media.

Do YOU know this man? You SHOULD!

Mort Zuckerman is one of the most powerful Zionist power brokers in the world today. One of the richest men in America, Zuckerman—who owns *U.S. News & World Report* and *The New York Daily News*, and who is a regular commentator on television talk shows—personifies the elite control of the most influential media forces.

Your generous support for AFP—beyond your annual subscription—helps AFP challenge the Controlled Media . . .

Behind the scenes are the shadowy owners and corporate power brokers who dictate what you will (or will not) see in your daily newspaper or on the evening news. The average American has no idea that super-rich predators with names like Rockefeller, Rothschild, Bronfman, Newhouse, Murdoch and Redstone are making vast profits and achieving immense power through their stranglehold on the American media (and, increasingly, on media around the globe.)

- These shadowy media controllers decide which politicians are “in” and which politicians are “out.” (They made Bill Clinton overnight. They also broke Richard Nixon overnight.)

- The Masters of the Media decide which issues can—or cannot—be debated. (Imagine a public debate over the Federal Reserve System on ABC’s Nightline. It will never happen!)

- The Masters of the Media decide which are the “good wars” and which are the “bad wars.”

- The Masters of the Media decide who is the “hero” and who is the “villain.”

If the Big Media decides you will be the patsy, then the patsy you will be. It’s that simple. Ask Lee Harvey Oswald or James Earl Ray or Gordon Kahl or Randy Weaver or the victims of Waco.

As we said: THE MEDIA IS THE ENEMY.

And that’s why *American Free Press* is right here on Capitol Hill taking up the challenge against this enemy. We’re in the forefront of the battle to reclaim America. But *American Free Press* couldn’t exist without the support of its readers.

That’s what makes this populist newspaper unique. We have lots of enthusiastic readers—good patriots all across America—but we don’t have the mas-

sive resources or the endless financial backing of the Media Monopoly.

It’s very simple.

AFP needs your continuing donations. Your support is necessary to keep AFP thriving.

Please make a donation today to help AFP out. Any contribution of any size is appreciated.

You know our track record—and we’re proud of it.

Thanks in advance for your continuing generous support!

THE NEW WORLD ORDER . . .

AFP recognizes—just like *Puck* did back in the 19th century—that there is a middle way between the forces of Monopoly Capitalism, on the one hand, and Socialism, on the other . . . It is nationalism and populism.

Despite the obstacles they throw in our path, AFP remains steadfast in its commitment to bringing you all the important news you need to know . . .

However, we’re faced with a perpetual money crunch and we can only turn to you—our good grass-roots supporters.

We give you a great newspaper every week and we turn out a lot of good books and materials you can use and learn from and help educate others about the need for Americans to **stand up and confront**

THE NEW WORLD ORDER . . .

Every week it costs more than \$20,000 to print and mail an issue of AFP—about \$87,000 a month. And that doesn’t include rent, telephone, office expenses and our (modest) wages.

We’re not asking for your donations without a fair exchange. We feel that we provide you—each week—with a quality product, a great newspaper that gives you the news and information you NEED in a professional, easy-to-read format. And our pledge to you is that we will continue to do it.

IT’S EASY TO HELP!

If every subscriber slips a \$20 or \$10 bill (or a \$5 or even just \$1) into an envelope and mails it to us, we will have a new surge of cash resources to keep our operations on an even keel until our next fundraising drive.

Your donation—no matter how “big” or “small”—will be put to the best possible use: making sure *American Free Press* keeps on going!

You may use the special return coupon at left to send in your donation or your credit card information. Call 1-888-699-NEWS (6397) toll free to charge right now to Visa or MasterCard! Thanks.

We pledge to keep on bringing you THE BEST WEEKLY NEWSPAPER IN AMERICA—BAR NONE!
