Soros Buys Protection, Sympathetic Coverage from Media Puppets

By John Friend

George Soros, the nation-wrecking Marxist billionaire, has close ties to at least 54 prominent media figures in America and the wider Western world a new report has found, underscoring how the neo-Bolshevik globalist's lavish funding "has helped him establish ties with some of the biggest name media personalities in the United States and abroad." These ties and the sympathetic media coverage that has been generated "help indoctrinate millions with his views on a day-to-day basis," according to the report.

MRC Business (MRC), a conservative media watchdog and investigative group, has published a three-part investigative report exposing Soros's connections to and funding of major media organizations and other non-profits that influence the media's coverage of one of the most subversive men in the world.

The three-part report, released over the course of the past two months, "has uncovered 253 jour-
